

To Our Sponsors, Exhibitors and Friends,

The Tennessee Association of Health Underwriters is proud to announce The Sixth Annual Issues and Answers Symposium.

The planning is well underway for another outstanding educational event. The TNAHU Issues & Answers Symposium has become recognized as a premier gathering of the top healthcare benefit professionals (agents/brokers and carriers) from across the state. This year's symposium promises to be no less!

No effort is being spared to assure our sponsors and exhibitors a genuine value in return for their support. The program is being designed specifically to maximize "face time" with those you seek to serve.

On behalf of the more than 450 professionals who make up the Tennessee Association of Health Underwriters, let me thank you once again for your generous support in the past. Without you, we could not have made the Issues & Answers Symposium the keystone of our professional education initiative.

We have enclosed a registration form for this year's event. We very much look forward to seeing you in Nashville, March 4-5, 2009.

Cordially,

Chris Simmons
